Dear Mr. Igbanugo,

We would like to thank you for being our guest speaker on the topic, "The U.S. Foreign Corrupt Practices Act (FCPA) – How it Applies to Nigerian Partners of U.S. Companies" at our Networking with the USA (NUSA) Awards event held on Wednesday, August 16, 2017. From the feedback we have received from the attendees, your presentation was well delivered and provided them insights about FCPA rules guiding business practices of American companies engaged in international commerce.

We are grateful for your support and partnership and look forward to the opportunity of working with you and your organization again soon.

Yours sincerely

Brent Omdahl
Commercial Counselor
